Mr. K. P. Nilakanta Pillai: My question is this: "where the present Superintendent was last serving and what his pay was." Is the member justified, Sir, in saying that he has no information?

President: The question is there. The honourable member had drawn the attention of Government to a definite matter. He wanted to know what the officer's pay was. The Government member cannot now say that he has no information about that, unless it be that the Government made the necessary enquiries but could not get the information.

Mr. G. B. E. Truscott: That is so, Sir. (*Laughter.*)

Mr. K. P. Nilakanta Pillai: Where was the difficulty in getting the information when the officer concerned is in service here?

President: He could easily have been asked.

Mr. G. B. E. Truscott: He preferred not to give the information. (*Laughter*).

(*c*) whether there is any rule as to the period during which a Headmaster can keep with him the fee collections;

(*d*) if so, whether any inspection is being conducted to see that the rule is not violated; and

(*e*) whether, besides this, anyone has been punished for a similar offence?

Mr. C. V. Chandrasekharan: (*a*) No. The Headmaster was dismissed and action was taken for the realisation of the amount from his property.

(*b*) No.

(*c*) Yes.

(*d*) Yes.

(*e*) No one else during that year, in the Education Department.
